

For The Men Of OA:

Honesty

Surrender

Brotherhood

Come for real conversation,
shared experience, and practical
spiritual tools for living in integrity
and freedom.

ALL MEN IN OA ARE WELCOME!

A workshop for the men of OA to speak truth
without shame, connect deeply, and grow
spiritually.

Together we'll explore:

- **Honesty** — the courage to tell the truth about our experience.
- **Surrender** — letting go of self-will and trusting a Power greater than ourselves.
- **Brotherhood** — the strength that comes from walking this path together.
